

**Shirin**

Shirin can always brighten a room with her positive attitude and contagious smile. In her free time, Shirin likes to sing along to music on her iPod, go on walks, and go on trips out to her favorite restaurants in the area.

Shirin is also dedicated to her school work, currently making progress on all of her academic programs. Shirin always enjoys her reading program, and sharing what she learns from the stories with her teachers. When Shirin isn't working on her classes she is also learning new job skills in the CDC, and making Peanut Butter and Jelly sandwiches.

Behaviorally, Shirin is also excelling. She has been earning perfect days, every day since September!

**Christopher**

Christopher is a charming and friendly 9-year-old boy Christopher has made remarkable progress during this school year. He has made progress on all of his IEP objectives, particularly his discrimination objective and ELA objectives.

When Christopher is not working hard on his classes, he enjoys a wide variety of activities including the playground, playing on the computer, and building Kinex animals.

Everyone is very proud of Christopher and all of his accomplishments this year! Please join us in congratulating him as December Student of the Month! Way to go Christopher!

## **Patrick**

Patrick works twice a week at TJ Maxx and delivers mail/newspapers at local nursing homes. Patrick also has in house vocational jobs including PM Custodial, lunch line, and SIU gym cleaning.

During Patrick's free time he loves to hang out outside, roller blade, and go on fun community trips with the other students on West 1.

West 1 is so proud of Patrick for being named student of the month! Congratulations, Pat!

Dean

Dean has made fantastic progress towards his academic and behavioral objectives.

His recent success is evident in his participation in recent fun trips with his team, including Apple Picking this fall, the Halloween Dance, and Music Enrichment, just to name a few.

In addition to being with his friends and teachers, Dean loves to be outside, take long nature walks with his family, bounce balls, and listen to music.

We are very proud of all Dean's success and congratulate him on being a December Student of the Month!

**Brian**

Currently Brian has many jobs. He works at the student lunch line, punches meal cards, works at the CDC, and most recently started working at TJMaxx again.

This past month, Brian has mastered creating his schedule, increasing his independent engagement and work endurance, street safety and aquatics.

During his free time Brian enjoys constructing with clay, looking at books, and watching movies.

## **Arul**

Some of Arul's favorite things to do include playing with sensory toys and bins, constructing with building materials, and playing outside.

Arul is making a lot of progress this year on his IEP goals at school and during home visits!

Arul has made a lot of gains in the areas of social and play skills this year.

He is also showing more independence in his self-help skills.

Arul has been working so hard and it is certainly paying off in all of the progress we are seeing!

Great job Arul!
